Hi all,

Attached please find the latest CA Permits Status Tracking Sheet, which reflects PG's NPDES permitting activities in California through June 2019 under Task Order 09, Task Order 417, and OWM Work Assignment 2-67.

Note that I will be out of the office July 1-10. If you need anything related to these tasks during that time, please contact Dan Connally.

Thank you,

Audrey Signorelli
